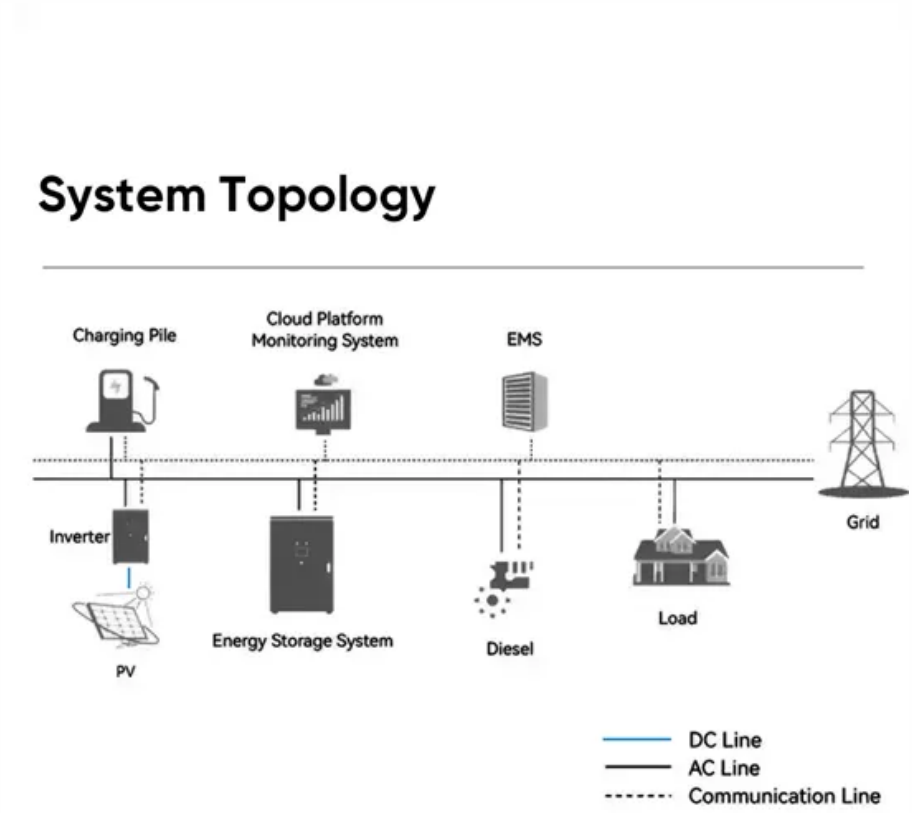
Production of customized solar battery cabinet lithium battery packs



Overview

Manufacturing custom lithium-ion battery packs requires precise engineering, quality control, and safety standards. Whether you're retrofitting existing equipment or launching something entirely new, we design and make lithium-ion systems. With over 20 years of experience, NPP Power specializes in custom lithium battery pack manufacturing. We provide tailored energy storage solutions that ensure efficiency, safety, and sustainability. Our quality custom lithium-ion battery storage cabinets are skillfully fabricated leveraging our 250+ team of professionals, leading-edge equipment and robotics, and 55+ years of dedication to best. Lithium Werks has two wholly owned manufacturing plants located in Changzhou and Suzhou, China, providing low-cost cell and pack production for your custom module and pack designs.

Production of customized solar battery cabinet lithium battery pack

Custom Battery Packs & Modules

We have the experience and the know-how to build a custom battery module to fit your application. With global offices and fulfillment centers in North America and Europe and engineering teams in America ...
