

50m per solar-powered communication cabinet battery solar energy storage cabinet system

50m per solar-powered communication cabinet battery solar energy

GRADE A BATTERY

LiFePO4 battery will not burn when overcharged or over discharged, overcurrent or short circuited and can withstand high temperatures without decomposition.

Indoor Photovoltaic Telecom Energy Cabinet

They transform solar-sourced DC into AC and store unused energy in high-performance battery packs, providing clean, renewable backup energy to mission-critical telecom equipment.
