

After-sales service for off-grid solar cabinets used in farms

Overview

PVB offers a complete after-sale service includes installation, commissioning, maintenance, and battery replacements. Warranty covers repairs/replacements. Boost solar efficiency with our LFP Battery Pack. Wall-mounted, wide temp range, IP54 rated. Bring reliable electricity to remote fields, barns, and wells—no utility connection needed. We design. At Sunchees, we provide robust solar systems designed for agricultural environments, including farms, ranches, and barns. The commercial and industrial (C & I) system integrates core parts such as the battery units, PCS, fire extinguishing system. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure.
