

Are there any tariffs on the export of Grenada energy storage cabinets

Overview

Grenada's customs tariffs can be found on its customs website (www.grenada.gov.gd/customs). For misdeclared goods, customs will impose a fine of 5 times the value of the goods or 100,000 ECD. When engaging in the import and export of goods in Grenada, understanding the customs procedures is crucial for effective trade compliance. Traders must submit essential documents including invoices, packing lists, bills of lading, and bills of exchange. View Trade Statistics by Country including trade summary, exports and imports by partner and products along with tariff and development indicator. 271012 Light oils and preparations, of petroleum or bituminous minerals which $\geq 90\%$ by volume "incl. losses" distil at 210°C "ASTM D 86 method" (excl. containing biodiesel) 020714 Frozen cuts. Companies operating in the fields of telecommunications, energy, construction, healthcare, as well as businesses related to the storage or transportation of dangerous goods are also welcome. The Grenada Customs & Excise Division wishes to officially welcome you to our website.

Are there any tariffs on the export of Grenada energy storage cabinet
