

Balti containerized solar energy storage project in Moldova

Balti containerized solar energy storage project in Moldova

Balti 2025 Energy Storage Project in Moldova

Positioned as Moldova's largest battery storage initiative to date, this 55MW/110MWh project addresses critical gaps in regional grid stability while enabling higher solar and wind energy

Moldova Balti Energy Storage:

Powering the Future with New Energy

While everyone's obsessed with lithium, Moldova's climate demands hybrid solutions. Our latest project combines vanadium flow batteries for long-term storage with supercapacitors for instant grid support.
