

Battery cabinet end plate production line manufacturer

Overview

Leading manufacturer of turnkey battery production equipment for lithium-ion and lead-acid batteries. Specialized in pouch, cylindrical, prismatic, and button cell manufacturing lines. 15+ years experience, 500+ global projects, 24/7 technical support. TOBGROUP provides efficient and automated prismatic cell battery production line, equipped with advanced battery cell performance testing equipment, using robots or visual guidance. From concept and design to fabrication and assembly, Bull Metal Products manufactures custom battery enclosures, lithium battery boxes, and battery cabinets with the highest quality and safety standards. From prototype development to full-scale pack production, we provide turnkey solutions that reduce costs, improve quality, and accelerate time-to-market. By combining automation, real-time monitoring, and Tertron is no. Our end plates provide high structural integrity, precise alignment, and excellent electrical insulation, ensuring stable and safe battery module assembly for various demanding applications.

Battery cabinet end plate production line manufacturer

Tertron: Your Partner in Advanced Battery Production Lines

The most advanced and efficient battery automatic production line is what we provide to meet your business essentials. Our modular, scalable, and versatile production lines ensure high precision, ...

CE UN38.3 MSDS

Home Energy Storage (Stackble system)

- 
High Efficiency
- 
Easy installation
- 
Safe and Reliable
- 
Perfect Compatibility

- Product Introduction**
-  Scalable from 10 kWh to 50 kWh
 -  Self-Consumption Optimization Integrated with inverter to avoid the compatibility problem
 -  LFP battery, safest and long cycle life
 -  Stackable design for easy installation
 -  Capable of High-Powered Emergency-Backup and Off-Grid Function

Custom Battery Enclosures , Lithium Battery Enclosures , EV Battery ...

From concept and design to fabrication and assembly, Bull Metal Products manufactures custom battery enclosures, lithium battery boxes, and battery cabinets with the highest quality and safety standards.
