

Battery management system bms solution

All In One
Integrating battery packs

Intelligent Integration
integrated photovoltaic
storage cabinet

High-capacity
50-500kWh

Rated AC Power
50-100kW

Degree of Protection
IP54

Altitude
3000m(>3000m derating)

Operating Temperature Range
-20~60°C(Derating above 50 °C)

Battery management system bms solution

Battery Management Systems

Need a custom Battery management system for your battery pack? Our in-house team offers BMS design solutions to support your battery pack for a seamless solution.

What Is a Battery Management

System (BMS)?

It ensures safe operation, maximizes energy efficiency, and extends battery longevity by monitoring every cell in real time and executing control strategies accordingly. In essence, the BMS ...
