

Battery pack grade perfluorohexanone

Battery pack grade perfluorohexanone

The Efficiency of Perfluorohexanone on Suppressing Lithium-Ion Battery

The perfluorohexanone fire extinguishing agent has attracted the attention of the industry because of its environmental friendliness and good performance in suppressing lithium-ion battery ...

Lithium battery pack perfluorohexane fire extinguisher

Basic Description of Perfluorohexanone Fire Extinguisher The Perfluorohexane fire extinguisher is a device that

automatically extinguishes fires in power distribution cabinets and energy storage battery ...

[Get Price](#)

Enhancing Safety in Energy Storage Systems with Perfluorohexanone ...

Perfluorohexanone is particularly suitable for environments with electrical equipment, such as lithium battery energy storage systems, due to its non-conductive nature, high volatility, and ...
