### Home Energy Storage (Stackble system)

  
High Efficiency

  
Easy installation

  
Safe and Reliable

  
Perfect Compatibility

**Product Introduction**

-  Scalable from 10kWh to 50 kWh
-  Self-Consumption Optimization
-  Integrated with inverter to avoid the compatibility problem
-  LFP battery, safest and long cycle life
-  Stackable design, effortless installation
-  Capable of High-Powered
-  Emergency Backup and Off-Grid Function

### Microgrids spread across US as Big Tech, utilities shore up power

November 3 - Microgrids are being developed across the U.S. as new data centers drive up power demand and companies and communities seek reliable power supplies and protection against ...
