

Burkina faso solar energy storage cabinet system manufacturer

Overview

The Government of Burkina Faso has signed a Public-Private Partnership (PPP) agreement with a local developer and a Dutch clean energy investment firm to develop a major solar and battery storage system. A solar-powered cabinet in Ouagadougou that can power 200 households during blackouts while making coffee for local engineers. Okay, maybe not the coffee part - but Burkina Faso's cabinet-style energy storage cabins are proving you can teach an old grid new tricks.
