

Can the low bed box be used for storage

Overview

Under Bed Bins or Boxes: Plastic or fabric bins and boxes come in various sizes and can slide under the low bed. They are versatile for storing seasonal clothing, linens, or shoes. Rolling Trays: Low-profile rolling trays or carts can be a convenient way to access items stored under. For those who don't happen to have a storage-packed bed frame, an easy solution is to slip boxes or bins beneath the bed, taking advantage of what would otherwise be unused space. However, what happens with a very low bed. Made with chemicals safer for human health and the environment. Our affordable under bed storage bins, boxes and drawers are ideal for keeping extra bedding, pillows and clothes out-of-sight but within easy reach. Low beds, which are closer to the ground, may have limited clearance underneath compared to higher platform or loft-style beds.

Who We Are
What Is BHG recommends?
To find the best under-bed storage, we put 14 products to the test at home for two weeks. All of the storage organizers were opened and filled with real sweaters, clothing, bedding, and shoes neatly folded. We made note of how many objects and what type they were able to fit in each product, as well as how securely it closed. Next, we put the organ See more on bhg Author: Kathleen Felton
