

Chad 100kW Outdoor Photovoltaic Energy Storage Cabinet Product Warranty

Overview

Q7: What is the warranty for the products?

-3~10 years, Since our product range is wide, different products have different warranties, welcome to check before placing order. Q8: What kind of certificate can offer?

-CE, RoHS, UN38.3, MSDS, FCC, IEC-62133, etc. If need PSE and others, please. The SUNWAY 50-100 kW Outdoor Cabinet ESS is an all-in-one energy storage solution designed for commercial and industrial applications. Equipped with a reliable Growatt inverter, it supports flexible battery options including rack-mount and stackable batteries. Modular PCS facilitates maintenance and expansion. It fits commercial and industrial energy storage, photovoltaic diesel storage, is suitable protection, for microgrid dynamic scenarios functions, photovoltaic storage and charging. The local control. Distribution systems, environmental control systems, and fire control system. Priority is self-generation and self-use, and surplus electricity storage. When the power generated by photovoltaic power generation is insufficient to provide local load, the battery storage is prioritized. In order to reduce human dependence on fossil energy, alleviate the energy crisis, and realize the common vision of global sustainable development! Note: The product quality certificate and the logistics and transportation certificate are complete, you can contact our sales manager to obtain it. Real-time acquisition of local load power, photovoltaic power generation priority is self-generation and self-use, and surplus electricity storage; When the power generated by photovoltaic power generation is insufficient to provide local load, the battery storage is prioritized.

Chad 100kW Outdoor Photovoltaic Energy Storage Cabinet Product

Outdoor 100KW LiFePO4 Battery Energy Storage System for Commercial

Focusing on the new energy industry for 10+ years, it is committed to providing first-class solutions and services for global new energy applications. In order to reduce human dependence on fossil energy, alleviate the ...
