

# China 500 watt power inverter in Yemen

**51.2V 150AH, 7.68KWH**

## Overview

---

Shop NIMTEK NM500 Pure Sine Wave Off-Grid Inverter, Solar Inverter 500 Watt 24 Volt DC to 110 Volt AC online at best prices at desertcart - the best international shopping platform in Yemen. Company Introduction: Wuhan Guanyou New Energy Technology Co., Ltd is a high-tech enterprise integrating the research, development, production, sales and technical services, which is mainly focusing on off-grid power solutions and new energy solutions. Our factory established in 2012, located in. Growatt inverters are particularly popular among Yemeni consumers because they provide a reliable solution for converting the direct current (DC) electricity collected from solar panels into alternating current (AC), which can be used in home appliances. These devices perform power conversion at high-efficiency rates to support maximum system operational capability. Our hybrid inverters are designed for Yemen's reality: frequent outages requiring fast switching, high temperatures requiring efficient cooling, and unstable grid requiring smart. The 500 Watt Inverter is a key item within our extensive Solar Inverter selection. Buying in bulk can streamline your supply chain management, ensure consistent product quality, and may attract.
