

China 5kWh energy storage system

Overview

Chinese inverter and battery maker Growatt has announced a new AC-coupled balcony energy storage system for households. Named Aura 5000, the system features a 5kWh battery capacity, bidirectional inverter functionality, and up to 2,500 W AC output. Our products here at Greenlite have been designed with performance and energy savings in mind. 12 kWh lithium iron phosphate (LFP) system comes with a compact 182 mm design. "Aura 5000 offers broad.
