

Colombian lithium energy storage power manufacturer

Overview

BATX, Colombia's first lithium-ion battery manufacturer, leads an energy revolution through circular economy — giving electric mobility batteries a second life for solar energy storage. That is the mission of BATX, a company that is redefining the country's energy transition. 9MW Celsia Solar Palmira 2 farm in Valle del Cauca to help increase the generation capacity of. Tronex Soluciones de Ingeniería specializes in energy storage solutions, including a range of lithium batteries, such as the Rhino 38. 4 V - 600 Ah, which utilize LiFePO technology and offer a capacity equivalent to 775 Ah in lead-acid batteries.
