

Comparatively cheap outdoor power supply brands

Overview

We've tested every major brand—Jackery portable power stations, Anker portable power stations, and EcoFlow portable power stations—to find which budget models actually deliver. Need more capacity?

. Whether you're camping, hosting backyard events, or preparing for emergencies, finding the cheapest outdoor power supply that balances cost and performance can feel like searching for a needle in a haystack. Power stations are quite the investment. I know people who have dropped several thousand on systems that can power their homes for days in the event of a grid. Best Budget Portable Power Stations Under \$300: 300W Models Field-Tested for Camping, Emergency Backup & Off-Grid Adventures—Jackery, Anker, EcoFlow Compared TESTED Updated January 2026 Tired of choosing between expensive power stations and unreliable cheap knockoffs?

You don't have to sacrifice. Power stations are ideal for helping you get through a power outage and for off-grid camping. And, unlike gas generators, power stations don't emit potentially lethal carbon monoxide fumes and can be recharged with optional solar. Read our reviews on the top models below, along with important factors to consider before selecting the best portable power station for your needs.
