

Cylindrical solar container lithium battery production supplier

Overview

From electrode preparation to final packaging, we deliver precision-engineered solutions that ensure consistent quality, optimal yield, and scalable production capacity for formats including 18650, 21700, 4680, and custom specifications. Formerly known as DLG Electronics, PYTES started its business in Shanghai over 18 years ago. Through years of dynamic development, PYTES has set up several manufacturing bases and sales centers domestically in Shanghai, Shandong, Jiangsu and overseas in Vietnam, USA and Netherlands, covering. Transform your battery manufacturing with our fully integrated cylindrical lithium battery production lines. Started in 2004, with continuous support and technical experience, more than 1,000 Pytes employees are now working to build a greener future. is a scientific and technological innovative enterprise committed to mobile solar container solutions and energy storage systems.

Cylindrical solar container lithium battery production supplier

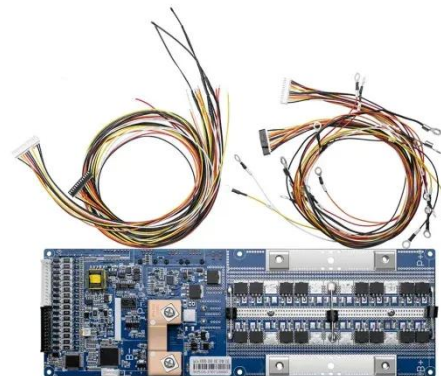

Complete Cylindrical Battery Production Line Solutions , Turnkey

Whether you're launching a new production line or upgrading an existing facility, we're your one-stop partner for fast deployment, reliable yield, and long-term scalability.
