

EMS installation in the Santo Domingo base station room

Overview

This private clinic is located about 15 minutes away by car. The fastest, easiest way to get there is by Taxi (Apolo Taxi: 809-537-0000, Lino Taxi: 809-687-3333). EMS makes up 98% of emergency calls, we also provide Fire coverage which makes up the rest. Our shifts are 48 hours on and 120 hours off (which is 2 days on and 5 days of). Our shifts are fixed days meaning that you work the. Kewa Pueblo instituted an EMS program in 2003 running 24/7 operations. The department was first operated out of a donated fifth wheel trailer and then moved to a single wide trailer with no indoor plumbing adjacent to the community center. The tribe first purchased two ambulances in 2004 which were. An EMS station needs to provide the comforts of home as well as the tools for work, from restful sleeping quarters to office space and equipment storage. At Torgerson Design Partners, we're proud to provide police, EMS, and fire station interior design, architecture, master planning, and project management solutions. It provides new facilities for the Kewa tribe's growing Emergency Medical Services and Volunteer Fire Department and houses a police substation for the state, county, tribal and Bureau of. The D. has among the most advanced EMS systems in the Americas — as long as you're in a major city or popular tourist location; outside major cities, things get a little trickier so please consult our EMS Coverage Map for the D.
