

Egypt BESS photovoltaic panel manufacturer

Overview

Norwegian renewable energy solutions provider Scatec has started construction of its 1.1 GW Obelisk solar and 100 MW/200 MWh battery storage (BESS) project in Egypt. Bahraini, Chinese, Egyptian and Emirati groups have agreed to develop a new manufacturing facility in Egypt, with an annual production capacity of 2GW of solar cells, 2GW of solar modules and 1GWh of battery energy storage systems (BESS). Egyptian prime minister Dr Mostafa Madouly attended a. Dubai, United Arab Emirates, 15 July 2025 - AMEA Power, one of the fastest-growing renewable energy companies in the region, is pleased to announce the successful commissioning of Egypt's first-ever utility-scaled Battery Energy Storage System (BESS). The energy will be sold under a USD-denominated 25-year Power Purchase Agreement (PPA) with the Egyptian Electricity Transmission.
