

Egypt Energy Storage Power Station Development Cooperation

Overview

Dubai, UAE, 18th December 2025 – AMEA Power, one of the fastest-growing renewable energy companies in the region, together with Kyuden International Corporation of Japan, today announced a partnership with the International Finance Corporation (IFC) and other partners to deliver. Dubai, UAE, 18th December 2025 – AMEA Power, one of the fastest-growing renewable energy companies in the region, together with Kyuden International Corporation of Japan, today announced a partnership with the International Finance Corporation (IFC) and other partners to deliver. President Abdel-Fattah El-Sisi reaffirmed Egypt's commitment to renewable energy cooperation on Sunday during his meeting with the heads of Norway's Scatec and China's Sungrow to discuss major green investment projects, including a proposed 10-gigawatt battery storage plant. President El-Sisi met. Egypt has signed agreements worth over \$1.8 billion with Norway's Scatec and China's Sungrow to develop two major renewable energy projects, marking a significant expansion of the nation's green energy infrastructure, according to a statement by the Cabinet. Prime Minister Mostafa Madbouly attended. The European Bank for Reconstruction and Development (EBRD), African Development Bank (AfDB), and British International Investment (BII), the United Kingdom's development finance institution and impact investor, are providing a total of US\$ 479.1 million to Obelisk Solar Power SAE, a Dubai-based developer. Amea Power has agreed to build a 1 GW solar plant with a 600 MWh battery energy storage system (BESS) and an additional 300 MWh BESS.

Egypt Energy Storage Power Station Development Cooperation

EBRD, AFDB and BII support pioneering solar and battery storage ...

This financing will support the development of a 1.1 GW solar photovoltaic (PV) power plant integrated with a 200 MWh battery energy storage system (BESS) in the country's Nagaa ...
