

Egypt solar Container Substation

Overview

Norwegian developer Scatec ASA has signed a 25-year power purchase agreement (PPA) for a 1 GW solar array and 100 MW/200 MWh battery storage project in Egypt. CEO Terje Pilskog says it is Egypt's first hybrid solar-plus-battery project. The 300-MWh Abydos BESS project, which is aligned with a 500-MW solar power facility, makes the site near Aswan in southern Egypt home to the country's first utility-scale integrated solar-plus-storage installation. Courtesy: Trina Storage Energy storage also has entered the picture. The solar project is located in the Qena Governorate, specifically the Nagaa Hammadi area.
