

German Lithium Battery Storage Cabinet 47U Warranty

Overview

It is the first comprehensive standard specifically designed for fire-resistant cabinets for the storage and charging of lithium-ion batteries. It covers all critical risks – from internal battery explosions to fire spread between cells or shelves. Our battery cabinets are sophisticated and offer modular solutions that can withstand even temperatures and earthquakes when it matters. One important factor here is ventilation, both for cooling and for the. Our offer is exclusively directed at business customers within the meaning of § 14 of the German Civil Code (BGB). We do not sell to private individuals. Can't find a suitable item?

Contact us by e-mail (info@lion-care). ☐☐ Safe and tested: Loxxer cabinets have been extensively.
