

High-performance 100kWh energy storage container

Overview

High-Capacity Container Energy Storage System: Up to 100kWh / 50kW of scalable storage for heavy-duty industrial and commercial use. Featuring an advanced battery. Libattion AG specialises in modular, high-performance battery energy storage systems for commercial, industrial and utility-scale applications. Combining 215kWh of large-capacity storage with 100kW of continuous, stable power output, it leverages intelligent energy management to help businesses achieve electricity. Boost your energy independence with our Container Industrial and Commercial Energy Storage System —a powerful 100kWh-215kWh solution with hybrid inverter, MPPT, and full safety integration, built for reliable performance in all conditions. stands at the forefront of power management technology.
