

History of solar power generation development

50KW modular power converter

Flexible Configuration

- Modular Design, Expanding as Required
- Small&Light, Wall Mounted
- Installed in Parallel for Expansion

Powerful Function

- Support PV+ESS
- Grid Support, Equipped with SVG Technology
- On-Grid and Off-Grid Operation

Reliable Protection

- Outdoor IP65 Design
- Sufficient Protection Functions Equipped

History of solar power generation development

History of solar power generation development

From the earliest days of solar-powered satellites to modern rooftop arrays and utility-scale solar farms, this is the complete history of solar energy--and a look at its exciting potential in the ...
