

# How to choose warranty options for a 50kW outdoor telecom enclosure

## Overview

---

Available in stainless steel, aluminum, or galvanized steel construction with adjustable rack spaces (19u-42u). Includes floor-mounting capability, secure locking system, and one-year warranty. Ideal for FFTH and network integration applications. Each weatherproof outdoor enclosure is rated NEMA Type 3, 4, 5, or 6 and undergoes rigorous field testing to ensure reliability in demanding outdoor environments. Westell is excited to announce our new interactive portal to showcase our brand new fiber FDH Enclosures as well as our longstanding robust Outside Plant Enclosures and Integration Capabilities. HVAC climate control, electronic land panel, a side spool cabinet, extra battery support for battery backup, backup generator plug, reversible rack rails and a 3-point locking system for superior. Our enclosures are built to withstand rain, dust, corrosion, and extreme temperatures, making them ideal for telecommunications, utilities, oil & gas, and industrial applications. We also offer customizable options to meet your unique needs. IP Rating (Ingress Protection): AZE's enclosures boast high.
