

Huawei Factory Valley Power Storage Project

Huawei Factory Valley Power Storage Project

Huawei factory power energy storage project

Huawei commissions Cambodia's first grid-forming Huawei Digital Power has successfully commissioned what it claims is Cambodia's first grid-forming battery energy storage system (BESS) certified by TÜV SÜD.

Energy Storage Solution (ESS) , HUAWEI Smart PV Global

The system guarantees consistent grid-forming performance across all grid condition, time domains, and SOC ranges, advancing the high-quality development of green power systems.
