

Huawei inverter production

Overview

Huawei remains a top-tier producer of photovoltaic inverters, commanding 23% of global market share as of Q1 2025 according to Wood Mackenzie's latest renewable energy report. But how did they achieve this dominance amidst fierce competition?

Let's unpack their strategic moves. HUAWEI FusionSolar advocates green power generation and reduces carbon emissions. It provides smart PV solutions for residential, commercial, industrial, utility scale, energy storage systems, and microgrids.
