

Huawei outdoor power supply official brand

Overview

Huawei Power-M is an intelligent integrated power supply system with a back-up facility. The all-in-one system supports multiple input (grid/PV/genset) and output (12/24/48/57 V DC, 24/36/220 V AC) modes. One cabinet is able to suit current needs and expand as required by ICT convergence and network evolution. Spoiler alert: these systems pack enough punch to run construction sites, telecom towers, and even so Ever wondered how modern industries tackle energy challenges in remote locations?

. The PSU integrates power rectification, distribution, and monitoring. PSU appearance Ports PSU ports Technical specifications: . It includes a power module with inverter and a high-capacity lithium-iron phosphate battery and is compatible with either or both off-grid PV Solar or on-grid mains power supply all fitted in a compact IP65 enclosure suitable for indoor or outdoor installations. It converts AC into DC power and can report fault alarms and monitoring data to the upstream network management system (NMS).

Huawei outdoor power supply official brand

Huawei enters the outdoor power supply industry, launching

Huawei outdoor power supply is currently on sale in the official flagship store of Huawei (HUAWEI) enterprise business Jingdong. There are two power models of 1000Wh and 500Wh.
