

# Inverter module in the power distribution cabinet

## Inverter module in the power distribution cabinet

---

### Single-Phase Modular Inverter (cabinet)

The inverter modules are available for various input and output voltages, and the output power varies according to the voltage combination. INVERTRONIC compact inverter systems and their racks, ...

### NORD Inverters for Control Cabinet Installation , NORD

Our inverters for control cabinet installation have a power range from 0.33 to 215 HP and can be customized

with optional plug-in modules. Variable cooling solutions ensure optimum heat dissipation.
