

Large-scale after-sales service for Chilean mobile energy storage battery cabinets

Large-scale after-sales service for Chilean mobile energy storage battery

Chile inaugurates largest standalone battery energy storage project

Developer Atlas Renewable Energy has inaugurated the 800 MWh battery energy storage system (BESS) plant in María Elena commune, in the Antofagasta region.

How Energy Storage is Powering Chile's Sustainable Future

By enabling the storage of solar energy for up to five hours, Andes Solar II-B provides firm power even after sunset, effectively addressing one of the key

challenges of solar energy integration.
