

# Microgrid technology service companies

## Overview

---

Explore top microgrid companies offering microgrid as a service, microgrid solutions and energy storage — from ABB, GE, Siemens, Eaton to Schneider & Cummins. The microgrid as a service market is fueled by: Increased adoption of renewable energy sources: Solar and wind integration necessitates smart. Gain data-driven insights on microgrid technologies, an industry consisting of 5K+ organizations worldwide. We have selected 10 standout innovators from 770+ new microgrid technology solutions, advancing the industry with interactive energy grids, predictive control systems, modular microgrid. Microgrid-as-a-Service (MaaS) makes this a reality, and is central to the energy environment of every data centre. MGL was formed by a team of professionals with over 100 years of combined experience in power engineering and automation. Our services range from initial assessment.

## Microgrid technology service companies
