

Naier Wind Power 3kW Generator

Naier Wind Power 3kW Generator

Off-grid NE-3K Wind Generator

Off-grid NE-3K Wind Generator by Naier offers 3kw power, 48-240v voltage, and speed regulation. Ideal for home hybrid systems. Start-up at 2m/s wind speed., Alibaba .

Vertical Axis Wind Generator/ Power Vertical Wind Turbine Supplier

The Low Noise Level Vertical Axis Wind Generator is a high-performance wind turbine that is efficient in converting wind energy into electricity. It is available in various power capacities like 1kw, 2kw, 3kw, ...

Jiangsu Naier Wind Power Technology Development ...

Naier is a professional wind turbines manufacturer and supplier, specializing in R& D and manufacturing for 15 years.

[Get Price](#)

2.5kW-3kW small horizontal axis

wind turbine, shipped by the

The wind turbine blades are formed through precision manufacturing using a new process, with optimized aerodynamic shape design and structural design, easy installation, high utilization ...

[Get Price](#)

High Efficiency Horizontal Wind Turbine 3KW 48V 96V 120V 220V ...

Professional magnetic circuit design, low motor starting torque, reduced starting wind speed, and improved wind energy utilization rate. Adopting humanized design, the overall components are ...

Alibaba : Naier NE-3000H CE Approved 3KW Vertical Axis Wind ...

With an aluminum alloy blade structure and multi-voltage output (48V-380V), it efficiently converts wind energy into electricity even in low-wind

environments (start-up speed: 2.5m/s).
