

# Nepal portable large capacity power supply

## Overview

---

With 18% of Nepal's population lacking grid access (World Bank 2023), portable energy storage has become critical. Power Bank is a portable power supply which is easy to carry with large capacity and does not require electricity. They allow you to store energy in them like a battery and then later use it to charge up your phone. After the electricity, in the case of not shutting down, it can be used for 3~6 hours for.
