

# New circuit breaker in China in Guyana

## Overview

---

CHINA and Guyana are set to deepen their long-standing partnership with China opening its door wider to Guyana, offering new opportunities in infrastructure, manufacturing, telecommunication, and sustainable development, which would accelerate economic growth. These were sentiments voiced by. The Guyana Power & Light Inc (GPL) took another step forward with its Infrastructural Development and Modernisation Programme when it signed two contracts this week totalling more than US\$235 million, (in excess of \$50. 5 billion) that will impact the utility's transmission and distribution. Today's edition unpacks major developments shaping Guyana's business landscape—from looming US tariffs and housing expansion to small-scale mining support and regional trade shifts. Here's what you need to know Today's Proverb: "If you're not embarrassed by the first version of your product, you've. Who is the largest circuit breaker manufacturer in China?
