### Powering my house from the leaf! : r/leaf

This is in line with my experience of using two inverters ( one 1,500 watts, one 1,000 watts) and was able to power my house for days with my previous 2019 Nissan Leaf SL Plus.

### using Leaf as house backup power , My Nissan Leaf Forum

I'm curious how easy it would be, and if anyone here has managed, to use their Leaf as backup power for their house during power outages. Mine has a 40kwh

battery.
