

# Off-grid solar container scalable product warranty

## Overview

---

We back systems with: 1-year full system, 10-12-year PV, 3-year battery, 5-year inverter warranties. Do solar PV plants have a performance warranty?

Contracts to build solar PV plants usually contain a performance warranty to ensure that the owner receives an asset that delivers the agreed-upon minimum performance level. With NO assembly required you can have your own storage, living space or workspace ready in just a few hours. Small Basic Cabin Example: LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. We provide install manuals, operation videos, remote support, plus onsite supervision and O&M training for large projects. Born from years of solar expertise at Danger Electric.
