

Payment method for 60kW outdoor telecom cabinet

Overview

Pay-per-use metering lets each tenant in shared telecom cabinets pay only for the electricity they use, ensuring fair and transparent billing. Integrated billing systems automate data collection and invoicing, reducing errors and saving time for telecom operators and tenants. [Learn more!](#) IP55 Rated | 24U | AC110V or. Constructed to provide superior protection in all environments, ABS cabinet solutions offer maximum flexibility for customizable turn-key options that future proof growing networks. Designed to save deployment cost and time, our innovative solutions include hub collapse, battery backup, composite.
