

Photovoltaic bracket new equipment enterprise

Overview

It is a high-tech enterprise specializing in the research and development, production, sales and service of new energy products. Its current business areas cover three major businesses: Solar photovoltaic brackets, photovoltaic power station EPC, and cleaning systems. Jiangsu Hongdi New Energy Technology Co. With advanced equipment, our monthly production capacity reaches 800 MW, and is located in Daqiuzhuang Industrial Park, Jinghai District, Tianjin, a famous steel industry belt in northern China. Meanwhile, we boast large-scale manufacturing capabilities for rooftop solar brackets, ground-mounted solar brackets, solar carports, and solar-storage-charging integrated carports. At present, the company has passed ISO9001 quality management system certification and obtained a number. Whether a stationary fastener or a part with free-moving components, our cross-industry professional designers are able to bring you new methods. New parts will reduce weight and speed up the work of assembly. FASTscrew can produce the right parts to simplify your process.
