

Price quote for waterproof solar-powered container farm equipment in the United States

Overview

Get a quote today!. Get a quote today!. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. Over a five-year R&D phase, CleanTec has created the most simple and effective system for large-scale mushroom farming. These shipping container farms are a combination of basic equipment, inside a beautiful well-lit working space on a mobile platform. The units are fully assembled and ready to use. Imagine transforming a simple shipping container into a thriving, self-contained farm. But how much does it cost to set up one of these innovative units?

Let's dive in. Unlike standard solar panel containers, LZY's mobile unit features a retractable solar panel unit for quick installation.
