

Procurement of 350kW inverter cabinet

Overview

Find out all of the information about the Infypower product: LFP energy storage system IEB350kWh-350kW. Contact a supplier or the parent company directly to get a quote or to find out a price or your closest point of sale. The 350kW high power CPS three-phase string inverters are designed for ground-mount applications. Featuring a fully liquid-cooled, all in one design, it achieves electrical isolation between input and output, significantly improving safety performance. Redundancy through a distributed method supports overall system uptime.

Procurement of 350kW inverter cabinet

350kW, 1500Vdc String Inverter

Our 350kW inverter units are high performance, advanced and reliable inverters designed specifically for the North American environment and grid.
