

# Shengxing Photovoltaic Bracket

## Overview

---

Products include photovoltaic frames, brackets, and other components. Our group has its own Hot Galvanizing Plant, comply with the national requirements of environmental protection and the other cold bending equipments and a complete processing and. Shielden is a professional factory manufacturer from China, specializing in the production of Strut Channels, Solar Brackets, EMT Conduit, BS Conduit, and related fittings. With years of industry experience, we have built a strong reputation for delivering high-quality, durable, and cost-effective. Photovoltaic brackets are supports used in photovoltaic systems to tilt and fix the solar panels in a desired position so as to enable optimum solar energy collection and absorption.
