

Solar container outdoor power directly from the source manufacturer

ESS

Overview

Off-Grid Solar Containers transforms 20-foot shipping containers into complete, turnkey electricity generators—engineered for the places where conventional infrastructure can't reach, and built for those who refuse to compromise on reliability. We are a professional manufacturer of integrated solar container systems. By delivering clean, accessible electricity, we support sustainable communities and contribute to a healthier. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever.

Solar container outdoor power directly from the source manufacturer

Instant Off-Grid(TM) Shipping Containers with Solar and Batteries and AC+

Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank.
