

Solar inverter stamping parts manufacturer

Overview

Our expertise lies in creating custom metal parts that meet the unique requirements of renewable energy equipment production. Whether it's solar panel mounting systems, turbine mounts, or installation hardware, our precision manufacturing processes ensure flawless results. We manufacture the precision metal stamped parts and metal bending you need to sustain your projects long into the future. Our more than 55 years of experience as an ISO-9001 certified company speaks for itself. We're a trusted resource for the alternative energy industry — and we're here to help. D&H Industries is a precision manufacturer of solar stamped components and fabrications for the energy industry.

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled
