

# South Africa Sine Wave Inverter Supplier

## Overview

---

We stock a wide range of Pure Sine Wave Solar Inverters to complete your PV project. View our competitive prices online or contact Sustainable. It is easy to handle as well as suitable and compatible for almost all home/office applications. PHD has the widest range of Sine Wave Inverters. Providing South Africans with alternative power solutions for over 30years, Goscor Power Products has extended their product range to include renewable power solutions, including: Solar, German engineered Phocos Inverters and Lithium batteries. Designed to work with any geyser, these kits feature a robust, frost-proof design, precise temperature control, and a modular, expandable system that can grow with your needs. The input voltage, output voltage and frequency, and overall power handling depend on the design of the specific device. It is perfect for most applications, especially for domestic premises with sufficient roof space for solar or wind power.
