

Thimphu clean electricity

Overview

The event, held at the Thimphu, brought together government officials, youth leaders, development partners, civil society, and storytellers to reflect on Bhutan's climate leadership and explore pathways to a just and inclusive energy future. In a significant step towards a cleaner and more sustainable Bhutan, the Clean Thimphu - Clean Paro Initiative was officially launched on 21st February 2025, coinciding with the Birth Anniversary of His Majesty. The initiative, supported by the Department of Environment and Climate Change (DECC). EGAT and Bhutan expand cooperation on clean energy, moving toward regional security and sustainability EGAT and Bhutan reaffirmed over 20 years of cooperation on clean energy development and knowledge exchange, while agreeing to expand collaboration on energy transition. Thepparat Theppitak. In a significant stride for renewable energy and bilateral cooperation, a landmark 5 MW rooftop solar power project has been inaugurated in Thimphu, the capital of Bhutan. This pioneering initiative, the result of a dynamic India-Bhutan joint venture, marks a new chapter in the celebrated. Bhutan stood in solidarity with countries around the world to mark the United Nations' "Moment of Opportunity" a global call to supercharge the transition to clean energy. Thepparat Theppitak, Governor of the Electricity Generating Authority of Thailand (EGAT), along with the EGAT executive team.
