

Victron venusos bms driver

Victron venusos bms driver

Victron VenusOS driver for Bluetooth BMS

I need to try these mods, I even notice the dbus-serialbattery driver comes with a gui mod you can opt to install. I'm really new to all this, but learning is fun.

Victron VenusOS driver for serial battery BMS

I have created a VenusOS driver that can talk to BMS/Batteries that has serial communications (instead of the normal CANbus). RS485/RS232/TTL/UART and Venus 2.80+ have ...
