

Where is Haichen Energy Storage New Energy

Overview

Dongguan Haichen New Energy Technology Co. factory was established in 2015. Haichen is a leading global manufacturer of household energy storage batteries, C&I ESS, and battery energy storage systems with integrated solar inverters, located in Dongguan, China. We combine the latest battery. At the 2024 China Industrial Transfer and Development Docking Event held on Ap, Changshun County, Guizhou Province successfully signed an investment and development agreement for the Changshun County New Energy Industry Supporting Base Project with Xiamen Haichen Energy Storage. ("Haichen Energy Storage") held a groundbreaking ceremony for the second phase of lithium battery with the theme of "100G Haichen, 100 billion core light" at Xiamen Haichen Industrial Park. Located in Tongxiang High-tech City, this project will focus on the production of energy. Haichen Energy Storage in Shenzhen is innovative, efficient, and vital, addressing energy needs, optimizing grid operations, and reducing carbon emissions.
