

Where is the scam of installing photovoltaic panels on roofs

Overview

If you've received an offer for "free solar panels," it could be a scam. Always look for businesses you can trust - like Accredited Businesses using the BBB Seal. Someone contacts you through email, phone, social media, or even in person pretending to be a solar company. Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you?

Or say you'll never have to pay another electricity bill because government programs, grants, or rebates cover your solar installation?

It's likely a scam. While there are some government-funded solar. Scams, schemes and straight-up fraud abound in the dark underbelly of an otherwise light-filled industry. Here are red flags to look out for when. In the worst cases, homeowners have been left making payments on overpriced systems that don't work, with little to no support from the installation company that put the panels on their roof. To avoid getting scammed, you need to know what to look out for and when to walk away. The criminals are leaving unsuspecting homeowners with massive debt; many victims have reported losing tens of.
