

# Xiangfu Solar Power Generation

## Overview

---

Sungrow Xiangfu Solar PV Park is a 30MW solar PV power project. It is located in Jiangxi, China. Henan Kaifeng Xiangfu District (SPIC) solar farm is a solar photovoltaic (PV) farm in pre-construction in Duliang Town, Xiangfu District, Kaifeng, Henan, China. Read more about Solar capacity ratings. Post completion of construction, the Xiangfu District installs solar panels for power generation Xiangfu District installs solar panels for power generation What is China's planned solar power plant near Dalat?

The planned solar power project near Dalat,China,is one of the flagships of China's green energy transition. The project was developed by Sungrow Power Supply Co Ltd.

## Xiangfu Solar Power Generation

---

### One million-kilowatt integrated solar-thermal project begins

A one million-kilowatt integrated solar-thermal and photovoltaic comprehensive energy demonstration project has officially connected to the grid for power generation in northwest China's ...
