

# Zambia PV Energy Storage 200kW Inverter

## Zambia PV Energy Storage 200kW Inverter

### 200KVA 200KW Off Grid Solar Power System With Battery Storage

In general, it includes solar panels, charger controller, batteries and inverter. This system will store the solar power into the batteries, batteries energy will be converted the electricity power to supply the ...

### Power Conversion System

- Single-stage three-level modularization
- Multi-branch input to reduce battery series and parallels connection

## Solar and Backup Solutions in Zambia

Our PV solutions combine the solar array and the inverter with a battery bank and/or a diesel generator. Batteries enable the systems to store solar power and utilize it even at night time.
